BLOOD DRIVE

We want to thank everyone who came and donated their blood to save lives. There were 13 people who gave blood which in turn saved 36 lives.

A big Thank You to these wonderful ladies for coming here and using their skills to make this day a success. They call themselves the daytime vampires. Pictured are Charlotte, Renae, Bree and Roberta.

Thank you, Joey Bourg and Liz Rainey for donating your rare blood. You both did a great job and saved a lot of lives today.

MOTHER'S DAY PROGRAM

To celebrate Mother's Day, we had a party to thank all the mother's here at the Summit House. We celebrated with some memories, jokes and a game of Left Right. Thank You to all the mother's out there. We wouldn't be us without you.

SPRING PLANTING

Thank you, Dorothy and Jane for working together to make our garden beautiful. After our trip to the Flower Cart, these two were busy beavers getting everything planted before the next rain.

National EMS Day was on May 22nd. To celebrate this event we brought the EMT's and Paramedics a plate of cookies to show how much they are appreciated for what they do. Pictured below from left to right is Carol Rork, Ethan Kroneman and Jennifer Bourge.

NURSES WEEK

We wanted to thank the nurses for all they do for us. Jane Wood delivered some goodies to the nurses next door. Jane was a nurse for many years and she says it means a lot to be appreciated.

CINCO DE MAYO

As you can see in the picture below, the staff decided to try to do the Macarena for the residents. We did our best and the residents had a good time watching. Even though we put on Sombrero's and moustaches we still could have used a little more practice. Ciao!

EMPLOYEE OF THE MONTH

Congratulations Kristi on being chosen by your peers as June Employee of the month! Kristi is a very important part of the Summit House team because she covers the overnight shifts. Kristi takes great care of the tenants at the Summit House. She is a team player. She is willing to switch shifts as needed, come in early or stay late as needed. Outside of work Kristi enjoys gardening, crocheting and spending time with her grandson. So glad you are part of the Summit House team!

National Nursing Home Week

These ladies (Jeanne Kraus, Darlene Bernhard and Bev Diemer), wanted to take a road trip to the Kanawha Community Home to visit a friend. They did some porch sitting and had a great visit with Peggy Stevenson who is a resident there.

Lois Burr is bringing some treat to the Westview Care Center to celebrate National Nursing Home Week. She is pictured below with her daughter Kim Young.

NATIONAL FIREMAN'S DAY

National Firemen's Day was May 4th and what better way to say Thank You than with a couple plates of cookies. Dwight Anderson delivered the cookies to Fire Chief Jon Swenson. Jon shared them at the monthly fire meeting. Thank you to all the firemen out there who risk their lives to save lives. Keep up the good work!

June Birthdays

In astrology, those born between June 1–20 are Gemini's Twins. They have two distinct and alluring sides to their personality: sociable and ready for fun, or serious and thoughtful. Sometimes they feel as if one half is missing, so they forever seek new friends. Those born between June 21–30 are Crabs of Cancer. Guided by their hearts, Crabs are deeply emotional and nurturing. They create deep bonds and comfortable homes and are always willing to welcome people into their circle.
