Can you believe this lady is 100 years old as of August 27th. She doesn't look a day over 80. Jeanne is still very active in the community and exercises every day. Jeanne has seen and done a lot in her lifetime and she has a great memory. We are very proud to have you as a member of our Summit House family. Only 12 months to 101!

HOBO DAY PARADE

What a great crowd.

Shirley is really enjoying that sucker.

Thank goodness the rain held off until after the parade.

Music Therapy

Thank you to Deb Nielsen for filling in for Tailia our regular music therapy person. She really had the class going with those Hula Hoops. Don't you need to be standing to use a Hula Hoop?

Fresh Summer Peaches

Thank you to Darwin Luedke for taking time to come to the Summit House so the residents could buy some fresh peaches from Missouri and North Carolina. There's nothing better than a fresh peach in the summer.

ANNUAL BAKE SALE

Thank you to everyone who helped make our bake sale a huge success. We will be using the money for special activities that the residents would like to do.

EMPLOYEE OF THE MONTH

Congratulations Katlyn Ohrt on being chosen as September Employee of the month by your co-workers! Katlyn is a great team member. She is focused when doing her job and takes great care of the Summit House tenants. She has a big heart and is great at her job! Outside of work, Katlyn is a college student pursuing elementary education. She enjoys the outdoors including canoeing, swimming and tubing. Fun facts about Katlyn are: She grew up on a farm and cows are her favorite animal. Also, on vacation, Katlyn went deep sea fishing and caught a four-foot shark! How exciting! We are blessed to have Katlyn on our team!

NATIONAL SENIOR CITIZEN'S DAY

Community Bingo

Maralee and Brian are trying their luck for a prize.

There's nothing like a cookie and Bingo.

September Birthdays

Those born between September 1–22 are Virgo's Virgins. Virgos love paying attention to details—not to be picky, but to help others. Their industriousness makes them smart problem-solvers and fact-finders. Those born between September 23–30 balance the scales of Libra. Libras epitomize fairness and balance, often striving to minimize conflict and seek compromise. They achieve this with their charming, sincere, and lovable personalities.

HAPPY BIRTHDAY!!
