WEST HANCOCK EAGLES

Congratulations to the Britt Eagle girls basketball team for making it to the state finals. We are so proud of all of you. The residents are eating their lunch in the upstairs activity room, so they wouldn't miss a second of the game. We do like to accommodate our residents.

Good Luck next year Eagles!

ELDERBRIDGE

Amanda from the Elderbridge Agency on Aging was here to do a program on Medicare Benefits. Things we should know about in order to receive the most help possible from the government.

MacGyver Award

Congratulations Kaela on being awarded the MacGyver Award. The staff voted on who they thought was always fixing things, even though it's not in their job description. Kaela was awarded with a pink tool set to honor her recognition.

Summit House where the Fun never ends!

CORONAVIRUS

Due to the outbreak of the Coronavirus we are unfortunately limited to what activities that can be held here. Our goal is to keep our residents and staff here as safe as humanly possible. So, for the next month or so, we will be putting our thinking caps on and coming up with fun filled activities that we can all enjoy. Thank goodness for Pinterest. Hopefully, things will get back to normal in the near future so we can welcome back all of our volunteers, church services and live entertainment. In the meantime, everyone, try to stay healthy and we will see you soon.

MUSIC BINGO

The residents were enjoying an afternoon of Music Bingo. Songs were played from the 40's, 50's, and 60's. When they heard the song, they would shout out the title of the song and put a marker on their sheet if they have that song. Putting on necklaces is a reminder to all of us who has won that round. Now if I could only get them up and dancing!

Decorating for Easter

Thank you Lois for helping us put up our Easter decorations in the activity room and the lobby.

HAPPY EASTER EVERYONE!

Covid-19 Humor

DON'T EVEN THINK ABOUT IT!

EMPLOYEE OF THE MONTH

Congratulations Vickie Wade on being chosen by your team as April Employee of the Month! Vickie works in our environmental services department. Vickie has a great attitude and is always pleasant. She is super to work with and always has a smile! She is dependable and always willing to help where needed. Outside of work Vickie enjoys going to church, cooking, doing a coloring app and exercising. Thank you Vickie! We are blessed!

April Birthdays

In astrology, those born between April 1–19 are the Rams of Aries. As the first sign of the zodiac, Aries like to be number one. Bold, courageous, passionate, and somewhat impulsive, Rams dive headfirst into the most challenging situations. Those born between April 20–30 are the Bulls of Taurus. Bulls not only work hard with a determined and tireless manner but they also enjoy the payoff, rewarding themselves for a job well done.

HAPPY BIRTHDAY!

Thank you to our Volunteers

Volunteer week will be coming up soon, so I wanted to take a little time to truly thank all of our volunteers who gave their time and kindness to all of us at Summit House this past year. I can't express how important you are to the lives of our tenants. You bring them laughter, companionship, treats and most of all Love. Even though we can't be together right now, we are all together in spirit and in our thoughts. Hopefully soon we can have a celebration with all of you and show our appreciation.

Take care and stay healthy and God bless!
