MUSIC THERAPY

Welcome Back Talia and her intern Harley. The residents were all smiles when they saw these two. The guitar was strumming, and the voices were humming.

Senior Life Solutions had a presentation about the help residents can receive for any concerns they may have about their health.

National Volunteer Week

Here at Summit House, we would like to thank all our volunteers who have been with us in spirit this last year when all our lives were turned upside down. Even though we have not been able to be with you, we know that as soon as we can we will get back to normal and you will be here for us. We have missed each one of you and all that you do for us. In the meantime, stay healthy and be happy. See you soon.

Tenant of the Month

Betty was born on a farm south of Duncan in 1924. She attended school through the 8th grade and then helped on the farm. When she turned 18 she started helping her sister Josephine with her 3 kids and cleaned houses for other people each day of the week. In 1947 she married Orvin and they were married for 41 years. After she was married, she worked for Artes Produce for 24 years and then Britt Tech for 11 years and finally Ewing Funeral Home for 35 years. Betty has 7 sisters and of the Belgium heritage. Betty enjoys crafts, reading, and baking Kringla for all of us here at Summit House.

Administrator's Day

Jody had a great time opening some interesting gifts for National Administrator's Day. Thank you for being a great leader and problem solver. It's a tough job trying to keep everyone healthy and happy this last year. Keep up the good work and prayers for a great year ahead.

BALLOON TENNIS

Residents were enjoying a new activity with the fly swatters other than trying to kill flies.

May Birthdays

In astrology, those born from May 1–20 are Bulls of Taurus. While Taureans enjoy the comforts of luxury, they are unafraid of hard work and dedicate themselves to the tasks at hand. Their steadfast nature makes them reliable. Those born from May 21–31 are Twins of Gemini. With a feeling that something or someone is always missing, Twins forever seek new friends and opportunities. They are curious, intelligent, and sociable communicators, which makes them valuable colleagues and empathetic friends.
