## FUN AND GAMES

The competition is on.

Great minds think alike.

Laughter could be heard down the hallways with this activity.

## National Cheese Day

The residents enjoyed some chips and cheese, toasted bagels with cream cheese, and some Mozzarella cheese sticks.

## Oyster Stew Day

Um Um Good! Mickey was enjoying a hot bowl of Oyster stew prepared by the activity department. It really hit the spot on a cold day and warmed us up.

## Static Electricity Facts

Lois was enjoying our science experiments on static electricity. We were all absorbing some new knowledge.

## Something new for the tastebuds!

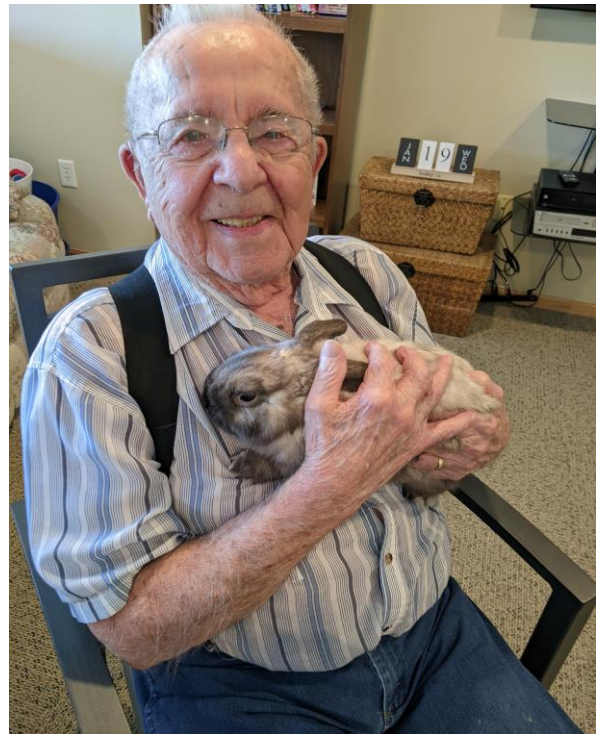

January 5<sup>th</sup> was national Cappuccino Day. The residents enjoyed some flavored coffee that they had never tasted before. It was a hit!

Harlan, Don, and Nels all participated in the tasting of different flavored teas. The winners were Peach and Wild Berry.

## Basil the Bunny!

Alfred was enjoying Basil a pet bunny that has been roaming the halls. Better hold tight, that little guy is fast on his feet.

LET'S PRAY FOR A CLOUDY DAY!

## Tenant of the Month Doris Schulz

Doris Arlene Schulz was born on the Farm on May 3, 1922. In three months, Doris will become an official Centenarian. Doris grew up with four sisters and two brothers. She is a middle child so claims she was picked on a lot. She went to country school until the eighth grade then went to school in town and graduated in 1940 from Britt. After graduation Doris taught country school for a number of years. On July 25, 1944, she married Earl on the Fox farm before he deployed for the military. When he returned, they lived on the family farm and then retired from teaching because back in the day it was frowned upon to have a teacher married or pregnant. Imagine that! Doris and Earl have three children. Jean, James, and Janet. Doris was also a 4H leader back in the day. Her and her husband traveled to many National Parks and would bring tents for camping. Doris did travel to Switzerland with her sister Imogene, and it was beautiful trip. She moved to town in 1988 and Earl died in 2014. Doris has lived at the Summit House for one year and really enjoys the activities and the other residents. Congratulations Doris on being Tenant of the Month!

## LOVE IS IN THE AIR!

### Happy Valentines Day

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres.
