A Peach Palooza

Connecticut Tootsie

A big thank you to Connecticut Tootsie for coming and talking to us about the history of the hobo and what the difference is between tramp art and hobo art. She is also a storyteller and author.

SINGING COWGIRL

Lisa Murphy aka The Singing Cowgirl made a stop in Britt to entertain our residents with some old-time country music. George fit right in with some of his western gear.

IOWA CORN HUSKERS

Hard work always pays off in the end!

A big Thank you to Bill and Millie Smidt of Titonka for donating some of their delicious corn for our residents to enjoy. Alfred and Marlys said it was finger licking good.

WELCOME!

What a show it has been. We started with three little blue eggs and now we have three little Robins chirping at our back door. They are getting bigger each day and will soon fly south.

LUCKY BIRDS!

TENANT OF THE MONTH JONI SHORT

Joni was born on April 7, 1929, in Omaha, Nebraska. She graduated from Spencer High School in 1947. For a graduation present her parents bought her a brand new 1947 blue Buick convertible. I bet she was the talk of the town. Joni then went to Lindenwood College for women for a year in St. Charles, Missouri. She then went to Iowa for a year where she became a loyal Hawkeye fan. Joni was married in 1950 to Fred who saw her in her car and waved from a roof he was working on. After that the rest is history. They lived in Kansas City, Kansas until they had their first child. They decided to move to Humboldt, and various other places after that. They ended up in Audubon for the next 35 years. They raised 6 children and now Joni enjoys seeing all her grandchildren. Joni has lived at the Summit House since 2015. She enjoys reading, card games, television, cardinals and talking with friends. Oreo, her feline friend has been her faithful companion for the last 4 years. Congratulations Joni on being Tenant of the Month!

September Birthdays

In astrology, those born from September 1–22 are Virgo's virgins. Often symbolized by the goddess of agriculture, Virgos are deeply connected to the material world. They are logical, practical, and aware of every detail. Those born from September 23–30 balance the scales of Libra. Libras strive for equilibrium and symmetry and flourish in harmonious partnerships. Libras often surround themselves with tasteful art objects and designs that create balanced environments.
