Celebrating Easter

The residents really enjoyed the Easter Bunny cake that was served during our party to celebrate Easter.

Everyone's toes were tapping to the wonderful music Carl and Joanne Nord brought to us for our Easter celebration.

Easter Fun

Lois and Bonnie had a great time hopping around to all the residents with an Easter basket.

These two bunnies came to visit our residents, and brought a bunch of goodies to hand out. Thank you for thinking of us and putting a smile on our faces.

Science Experiment

These ladies were back in school for the afternoon. We did a science experiment on how pennies get to be black in color and how you can turn them back to shiny copper. All it took was a little vinegar and salt. Congratulations ladies you passed with flying colors.

Bird Feeders

Making some bird feeders with bread, peanut butter and bird seed was our way of welcoming spring at the Summit House.

Volunteer Week

Thank you to Father Ben and Father Andrew for taking time and worshipping with our residents.

Ray Christensen has been providing Bible Study for our residents over the years. We appreciate all he does for us.

John Heille and Nancy Beenken bring us the word of God and beautiful music every month. Thank you!

May Flowers

As the saying goes, "April showers bring May flowers." As a craft we decided to make our own May flowers. Hopefully soon we will see some of these flowers in our beautiful courtyard.

Volunteers

A big thank you to Rubee who helps with activities and Blanche who has been painting nails here for many years. We appreciate you!

Tenant of the Month Bonnie Pals

Bonnie Marie Pals was born on February 28, 1943, in Britt Iowa, by Dr. Brewster. She lived on a farm east of Britt with her parents and her two brothers and two sisters. She graduated from Britt High School in 1960. Bonnie enjoyed dancing at Duncan Hall and the Surf in her younger days. She was at the Surf "The night the music died." She did move away from the Britt area but eventually came back to be with her family and continued to raise her seven children. Bonnie also found time to work at Kelly Realty for many years until she retired. Bonnie has lived at the Summit House for two years and enjoys the activities that we offer. Some of her favorites are church services, bible study, music, and bean bag toss. Bonnie also loves being outdoors and enjoying the fresh air and sunshine. Congratulations Bonnie on being Tenant of the Month!

May Birthdays

In astrology, those born from May 1–20 are Taurus' Bulls. Bulls are reliable workers who take a slow-and-steady approach to finishing tasks. They do expect a reward for their hard work and love little indulgences. Those born from May 21–31 are the Twins of Gemini. Energetic and spontaneous, Geminis are great at connecting with others, making them ideal candidates for networking and sales. **Happy Birthday!**

We would like to thank all the mothers out there for being the special person that you are. Just remember: "To the world you might just be one person, but to one person you might just be the world."
