Happy Easter

March 31

Happy Valentine's Day!

Our couple's dinner was a huge success. Everyone enjoyed the meal and had a great time talking about how they met and how many years they have been together.

These ladies put their creative juices together and made us some beautiful, decorated hearts that we hung around the building to make things festive.

Women's Heart Health Month

The residents did a great job supporting women's heart health by wearing something red for the day.

Thank you, ladies, for supporting heart health month for all the women around the world. Cardiovascular disease is the No. 1 killer of women, causing 1 in 3 deaths each year. It's a third of our mothers, sisters, friends, neighbors, coworkers and more.

GO RED FOR WOMEN!

Easter Crafting

With Easter right around the corner, we decided to start with some crafting to add some fun decor to the building.

The Royal Neighbors

The Royal Neighbors, a group from the Corwith area made their annual trip to the Summit House to celebrate Valentine's Day with the residents. They brought decorated heart shaped cookies for everyone, and they were delicious.

John Deere Day

To help us celebrate John Deere Day the cooks baked us up some cake decorated for the occasion. The cake was even green. Fun Fact: John Deere's wife decided on the colors based on the color green of the fields and yellow for the harvesting.

The residents enjoyed the afternoon with coffee and John Deere cake and a lot of conversation about farming.

PJ's and Pancakes

What a great time was had by all. These ladies fitted right in with the theme of our party. We had such a great turnout we should have made it into a fashion show.

Welcome Barb Marks

Barb joined the Summit House Family 3 months ago. She is from the Corwith area.

Tenant of the Month!

Luella Lappe was born on July 29, 1937, on a farm in Titonka, Iowa. She grew up on a farm by Wesley and attended Orthel #4 country school. She graduated from Britt in 1956. After graduation she worked at Northwestern Bell as a switchboard operator in Mason City. In 1957 she married Harold Cook from Britt at the 1st Lutheran Church. Luella worked at the coffee shop for a short period of time until she became a stay-at-home mom to their three children. In 1988 on March 25, she married Bob Lappe at the Forest City Catholic church. They lived in the Leland area before moving to Lake Mills. Luella worked at Winnebago for 25 years in the Window Department before retiring. Her and Bob traveled to Hayward, Wisconsin in the summertime to enjoy the beautiful trees and the quaint little town. Luella has lived at the Summit House for eight months.

Congratulations on being Tenant of the Month!

March Birthdays

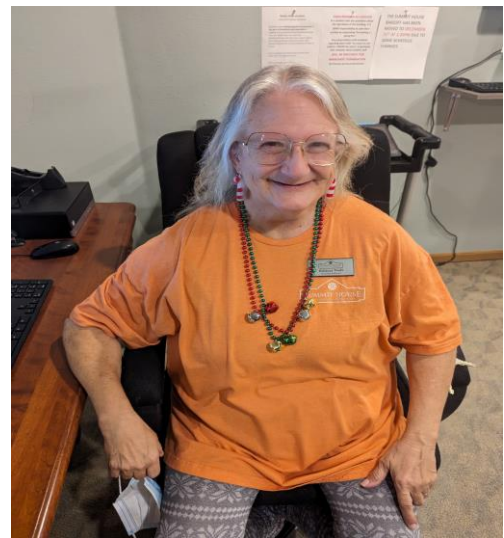

Those born from March 1–20 are Pisces, the Fish. Like fish, Pisces like to go with the flow in an easygoing manner, but on the inside, they are intuitive, intensely spiritual, and deeply emotional. If you were born between March 21–31, you are Aries, the Ram. These independent adventurers like to strike out on their own and are natural leaders. Their enthusiasm and confidence mean they have big and outgoing personalities.

Happy Birthday!
