## Employee Spotlight

Introducing Rebekka Hingson from Burt, Iowa, our Employee Spotlight of the month. Rebekka has worked at the Summit House for 4 months in the dietary department. In her spare time, she likes to sew, play video games, color, do arts and crafts and is learning how to play the piano. Her favorite thing is being around all the laughter and seeing the smiles on everyone's faces. It's truly a pleasure working here.

Congratulations Rebekka!
